

After graduation, Betty started working for Sunflower Humphrey Counties Progress, Inc., at the Drew Head Start Center. She retired after 25 years. During that time, she received her Associate Degree from Coahoma Community College. Although she attended both Mississippi Valley State University and Delta State University, she received her Bachelor of Science Degree in Early Childhood from Lemoyne Owen College, in Memphis, TN.

Betty has worked for Southern Echo and Genesis Hospice, as a Community Outreach Coordinator and Educator. She volunteered for the Drew School District for many years.

Betty was a Sunday School Teacher for Noah Memorial Baptist Church for over 20 years until the church closed. Then, she became a member of Holly Grove Missionary Baptist Church, where she is currently a Sunday School Teacher and the Chairperson for the Mother and Mission of the Church. In her lifetime, she has served on various boards throughout Sunflower County:

She has received many certificates, awards, and plaques for her efforts in community service. She has been a tremendous asset to her church and community. Her motivation seems to be prompted by a need to help others, and that is what serving God is all about.

Mr. Speaker, I ask my colleagues to join me in recognizing Ms. Betty Smith for her dedication and tenacity to serving her community and desire to be an example for all.

RECOGNIZING TAMPA BAY'S
LOCAL TRAILBLAZER, DR.
DAVINA JONES, IN HONOR OF
BLACK HISTORY MONTH

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Ms. CASTOR of Florida. Mr. Speaker, I rise today to honor a great educator and leader in the Tampa Bay community, Dr. Davina Arleen Jones.

Dr. Jones is one of six children, born and raised in the Tampa Bay area. Her mother worked for the county library as a book processor and her father was a city bus operator while also serving as a full-time pastor. Dr. Jones' parents instilled in her and her siblings the importance of commitment, leadership, and the spiritual faith—values she holds close to this day. At the early age of 13, a young Davina Jones gave her first public speech at a Church of God in Christ (COGIC) youth convention.

When she was a young student, Dr. Jones was enrolled in Exceptional Student Education (ESE) in Hillsborough County Public Schools

due to the many challenges in her life, but the challenges would only reveal her drive for education and excellence. Through hard work and perseverance, Dr. Jones went on to graduate from Bethune-Cookman University with a bachelor's degree in speech communication. She later went on to receive her master's degree in interpersonal communications and her doctorate in communication studies from Bowling Green State University. These significant accomplishments led Dr. Jones to author "From ESE to PHD: Discovering your hidden potential." She is also the author of "Choices: What singles ought to know and what married people wished they had learned."

Dr. Jones served as a frontline partner as Florida and our Nation prepared to receive and embrace the historic Dr. Mary McLeod Bethune statue in the Statuary Hall of the U.S. Capitol in 2022. Dr. Bethune's statue replaced the statue of a Confederate general that stood since the Jim Crow era and Dr. Jones advocated for Dr. Bethune as a far superior representative of the values and diversity of the Sunshine State. Dr. Jones continues to lift her community as a proud member of Delta Sigma Theta Sorority, Inc., a former president of the Mary McLeod Bethune National Alumni Association Hillsborough Chapter, a former president of the Bethune Cookman National Association Hillsborough Chapter, and Big Brothers and Big Sisters. Dr. Jones also actively collaborates with the African American Task Force for Hillsborough County Public Schools leadership.

Dr. Jones also continues to provide faith-based community leadership throughout the City of Tampa. She is the Assistant Spiritual Leader of Today's Church Tampa Bay and former lead pastor and teacher of the Greater Love Spiritual Center. In 2015, Dr. Jones moved on her desire to educate and inspire passion to our younger generation when she founded GREAT Camp, a comprehensive program for teens and preteens that offers guidance and development in a variety of topics and skills such as civics development, health & wellness, and financial literacy. Considering all her education, hard work and accomplishments, Dr. Jones stated that her greatest achievement in life was becoming aware of the power of love, the love for oneself and the love for others through God.

Throughout the years, Dr. Jones has instructed public speech communication courses across the State of Florida. Using her expertise and experience, she has provided higher education level instruction to aspiring journalists, marketers and educators within our communities. Dr. Jones served as an assistant professor teaching speech communication at her alma mater Bethune-Cookman in 2001; she became a professor at Florida State College at Jacksonville and she is currently provost and special assistant to the president for equity, diversity and inclusion at Pasco-Hernando State College in Wesley Chapel. She continues her work among Pasco-Hernando State College leadership ensuring that all students receive the education they deserve.

Mr. Speaker, on behalf of the Tampa Bay community, this Black History Month, I am proud to recognize the courage, leadership, and spirit of excellence of Dr. Davina Arleen Jones and her many examples of service she provides our communities.

HONORING THE FAIRFIELD FALCONS GIRLS BASKETBALL TEAM FOR WINNING THE 3A STATE CHAMPIONSHIP

HON. RUDY YAKYM III

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. YAKYM. Mr. Speaker, I rise to highlight and celebrate a very special group of Hoosiers.

Recently the Fairfield Falcons Girls Basketball Team out of Goshen, Indiana captured the 3A state title for the very first time in school history.

The Falcons' 49–42 win over Corydon Central in Indianapolis on Saturday was exhilarating, and extra special as it marked Fairfield's first state trophy in any sport.

We've all heard the maxim "defense wins championships" and for the Falcons it turned out to be true.

All season long the Falcons defense was downright stingy, allowing the fewest points per game out of any team in Indiana.

But it wasn't only because of their defense that the Falcons are celebrating.

In particular, Head Coach Brodie Garber credits the 4 senior girls he is graduating for consistently providing the leadership and mentorship needed for his team to take home the title.

Congrats to Coach Garber and all the Falcons—both players and staff—on bringing home the hardware. Their names are listed below:

Varsity Team Members:

Brea Garber, Morgan Gawthrop, Kaylee Dillon, Delana Geiger, Jayslynn Hall, Savannah Cronin, Zoie Miller, Haddee Herbert, Eva Herbert, Bailey Willard, Natalie Whitaker, Macy Worthman.

Coaches:

Head Coach Brodie Garber, Amy Garber, Troy Sands, Lindsay Kauffman.

Managers:

Ava Bontrager, Kealee Dillon.

I thank them for making Hoosiers in Goshen and beyond so incredibly proud.

God Bless them and God Bless America.

COMMENDING MONTANA PHOTO-JOURNALIST LARRY MAYER FOR UNCOVERING THE CHINESE SPY BALLOON

HON. MATTHEW M. ROSENDALE, SR.

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. ROSENDALE. Mr. Speaker, when a Chinese balloon invaded Montana's airspace, the Biden Administration intended to keep the American people in the dark.

But what President Biden didn't count on was the diligent work of Billings Gazette photographer Larry Mayer.

Larry pointed his lens skyward when federal regulators shut down Billings Logan International Airport and captured one of the first public images of a strange object floating in American skies.

Larry may not have known it at the time, but by following his instincts, he uncovered a national security risk from Communist China that

Biden and his allies had not disclosed to Congress or the American people.

China remains one of the greatest foreign threats to American national security. It's inexcusable that the Administration failed to inform the public when this threat was identified and even more alarming that the President didn't take steps to prevent such a breach of American sovereignty.

The government is responsible for ensuring our safety, security, and privacy. But thankfully, when the Administration failed to take this threat seriously, Larry Mayer was there.

Larry's images of the Chinese spy balloon represent the best qualities of American journalism. By uncovering this inexcusable lapse in our Nation's security, Larry has proven that even seemingly innocuous situations can have much more serious implications.

Larry Mayer's dedication to the job is the definition of patriotism in action. His work uncovering this disappointing failure by President Biden allows me and countless other public officials to hold the administration accountable.

Americans everywhere owe Larry a debt of gratitude for documenting this dangerous violation of American airspace. I hope all will join me in commending Larry Mayer's actions, and it is my pleasure to acknowledge him in the United States House of Representatives.

RECOGNIZING TAMPA BAY'S
LOCAL TRAILBLAZER, MORDECAI
WALKER. IN HONOR OF BLACK
HISTORY MONTH

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Ms. CASTOR of Florida. Mr. Speaker, I rise during Black History Month to honor the life of an extraordinary leader, educator and pillar of the St. Petersburg community, Mr. Mordecai Walker.

Mr. Walker was born in Citrus Park in rural Hillsborough County on July 4, 1924, to Charlie and Pearl Walker. He attended segregated schools in Hillsborough County—Citrus Park School for colored children, Booker T. Washington Junior High and Middleton High School, where he graduated in 1943. Mr. Walker started his college education at Bethune-Cookman University where he had the distinct honor of shaking the hand of First Lady Eleanor Roosevelt and Dr. Mary McLeod Bethune. However, as the war continued in Europe and the south Pacific, Mr. Walker was drafted into the U.S. Army, where he served overseas in New Guinea.

After attaining the rank of Sergeant and completing his enlistment in 1946, Mr. Walker returned to higher education at Tennessee State University (TSU) where he completed his bachelor's degree in agriculture and then he went on to earn his master's degree in agriculture from Florida A & M University. As a student at TSU, Mr. Walker was an essay winner for writing "America's Most Popular Athlete"—writing that Joe Louis was more popular than Jackie Robinson. For winning the essay, he was given an all-expenses paid trip to New York City to see Joe Louis fight. During that trip Mr. Walker remembers going to an integrated New York City theater to see *Gone with the Wind*.

While at TSU, Mr. Walker competed on the track team with Olympian Mickey Patterson and Ed Temple, who later became an Olympic coach. In 1950, he was initiated into the Rho Psi Chapter of Omega Psi Phi Fraternity, Inc. Mr. Walker would go on to become one of the original seven founders of the Eta Rho graduate chapter in St. Petersburg, FL in 1962, where he also served as the Chapter Basileus from 1991 through 1993. After more than 70 years of service, Mr. Walker remains active in the local chapter and is still committed to Omega's four cardinal principals of Manhood, Scholarship, Perseverance and Uplift.

After graduating from TSU, Mr. Walker returned to Tampa to teach at Simmons Elementary School in Plant City and later Middleton High School in Tampa, where he was a driving force in establishing the agriculture program. Mr. Walker was pivotal in creating a curriculum and funding sources to bring the program to fruition. After his short stint in Hillsborough County, he relocated to Pinellas County, where he spent more than 30 years teaching, advancing and developing agricultural programs. Mr. Walker was inducted into TSU's Agriculture Hall of Fame for his more than 30 years of service to advancing the field of agriculture in education. In 2019, he was also inducted into the City of St. Petersburg Senior Hall of Fame for his services of volunteering to help the quality of life for residents of St. Petersburg.

Mr. Walker is known for overcoming adversity. Coming of age in an era of segregation, Mr. Walker acted with dignity and grace, showing respect to everyone around him even when he was not afforded that same respect. During the Civil Rights movement, he was active in the Ambassador's Club, which was a civic club that worked to address the ongoing fight for civil rights, as well as celebrating the community's achievements during this time.

Mr. Walker is the oldest living member of the Historic Gas Plant Community, which was the second African American neighborhood formed in St. Petersburg. This historic community thrived from business, entertainment, and education. It was the place for working class African Americans. Unfortunately, many families were eventually uprooted during the expansion of Interstate-275 during the 1970's.

Mr. Speaker, today I join with the entire community of St. Petersburg in honoring Mr. Mordecai Walker for his long commitment to education, bettering the lives of all those around him and as a living legacy.

HONORING DICK'S PLACE

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a long-time business in Hinds County, MS, Dick's Place. Dick's Place has shown what can be done through consistency, dedication, and a desire to serve.

In 1949, Richard Anderson obtained a piece of land on Highway 80 near Bolton, MS. During this time, Highway 80 was a major thoroughfare for cars and buses. On the newly purchased land, he would create a juke joint named "Dick's Place." With the advent of Interstate 20, the original building had to be

demolished and the business moved to its current location, 2625 S. Frontage Road in Clinton, in 1952. Starting out in it was more country store than juke joint. Barbeque was introduced as a mainstay, leading to the juke joint growing even more.

For Dick's Place to survive and remain a safe place for African Americans during the height of the Civil Rights Movement, dues had to be paid to keep the doors open. Several times attempts were made to firebomb the establishment. Richard Anderson, Sr. recalls watching a white Mississippi State Trooper pull off the side of the road, throw a Molotov-cocktail-type bomb right at the front door, then get in his car and drive away. Gathering while black wasn't a crime by law, but it was seen as threat to White Supremacists in the area.

Dick's Place is now owned by Richard Anderson, Jr., who took over the business in 1984 when his father passed. Dick's Place is open daily from noon until whenever, and to be sure, Dick's Place is welcoming to all. Day in and day out, you will find the one-of-a-kind, Lorraine Henderson, tending bar and keeping the kitchen popping. She is the heartbeat of Dick's Place and has been for the last 28 years. Right next door is Richie's One Stop, also owned by the family.

The theme of this year's anniversary was—Being Thankful. This was the first in-person anniversary celebration since COVID, and about 100 patrons were treated to a real treat on Sunday evenings. It was a grand occasion, and the unique spirit felt that evening was the same spirit felt that kept it surviving and thriving for seventy-three years and counting.

Mr. Speaker, I ask my colleagues to join me in recognizing Dick's Place for its 73 years of service in the State of Mississippi.

HONORING THE INCREDIBLE
SERVICE OF SOPHIE PABIS

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Mr. COURTNEY. Mr. Speaker, I rise today to honor an incredible milestone reached by Sophie Graczewski Pabis of Enfield, Connecticut, who turns 100 on March 13, 2023. A lifelong resident of Enfield, Sophie has lived out what it means to be a first-generation American, purposing her time on this earth with patriotic, service- and community-oriented acts. She is a model citizen who we all ought to honor.

Born 1923, to Polish immigrants John and Helen Graczewski, Sophie learned early on the value of humble living and hard work. Growing up on a farm with two sisters and four brothers, Sophie worked on the fields to support her family throughout the Great Depression. She began her education in a one room schoolhouse and eventually moved on to Hazardville Grammar School and later Enfield High School, where she graduated in 1940.

Her first two jobs, in 1941, were at an ice cream parlor and a company that made electric switches, beginning the latter in September of that year. Her life trajectory changed, however, with the attack on Pearl Harbor and our nation's entry into the Second World War. Sophie felt an immediate calling to join the global effort. She rolled up her sleeves
